

from the office of the

BE WISE

IMMUNISE

Hello Parents!

Just a few reminders before school starts:

1. All New Students (including Kindergarten) **must** have a copy of their **Immunization Records** on file in the Nurse's Office **before** they are *admitted to the classroom*. This is PA state law..... "No child will be admitted to school without proof of Immunization"

2. All **Physical** and **Dental** forms are due within the *first week of school* (some physicals, because of insurance policies, might be around the child's birthday of that school year and that can wait till then.....make sure you have made an appointment!)

* **Physicals** for... all 6th graders, **new** students, **kindergarten** and for **sports**

* **Dental** for.....all 3rd and 7th graders

3. All **SPORTS PHYSICALS** are due **before** any girl can participate in any Villa Sports....this is due prior to the sport she will be playing.....for instance, all FALL Sport Physicals are due now. No girl will be allowed to participate in *practice or games* without this form being on file in the Nurse's Office.

* You may give the form to your *coach* and he/she will see that I receive it.

4. Please make sure your daughter's teacher is also aware of any allergies or medical conditions, this is important for your daughter's welfare and safety in the classroom. Please know extreme privacy is always kept.

5. You will be filling out an Emergency contact info card for myself and the main office when school starts, please make sure the people you choose are aware and all info is up to date on **both** sides of the card. Please alert the Main Office of any changes ASAP.

Thanks so much for your cooperation with all of the above. If you have any questions or concerns, feel free to contact me any time throughout the year. Have a great year!
